P6 Home Learning – Week beginning 18.3.19 – due 25.3.19

**Spelling** – Spelling words for this week are in your homework jotter.

Write out each word 3 times in your jotter using the ‘Look, Say, Cover, Write, Check’ method. Remember to think about your spelling rule to spell the words correctly and to use your neatest handwriting.

We have updated our active spelling ideas so please see the document on the website and choose a spelling activity from the ‘Spelling Homework Ideas New’ to complete in your jotter.

**Reading** – We have learned all Literature Circle roles. Please see individual homework diaries for page numbers and Literature Circle job. If you forget your Literature Circle job there is a link on our website to help you complete your homework.

**Numeracy/Maths** – We have been learning about budgeting and bank statements in class. At home, play this budgeting game:

If the link doesn’t work type in ‘money sense creating a budget activity’ into google.

Also try some of the other Money Sense games, watch videos and discuss the activities with an adult using the link below:

**Jacobites** – We have our assembly to the school on Wednesday and to parents on Friday. Please remember to bring something to wear and continue to practise the 2 songs on our homework website. This week at home find out 5 facts about Bonnie Prince Charlie and display your learning in a creative way. Be ready to share this on Monday.

**French** – Please remember to go on the Luinguascope website at home and play some French games for homework. You were all given the user name and password at the start of the year but ask your teacher if you have forgotten or lost it. Here is the link below:
